Question: What are the best features of this course?

Response Rate: 100.00% (3 of 3)

- 1 The zoo trip! The professor is always available outside of class, she is very knowledgeable of the course(random facts about primates always and its awesome), and she always leaves helpful comments/gives helpful resources to students. Amazing professor! (definitely my favorite professor)
- 2 Option to publish the paper. Teacher is always available to help. Includes programs that we can include in our resume or similar paper.
- 3 Dr. Florkies lectures keep me engaged

Question: Do you have any suggestions for improvement of the course?

Response Rate: 100.00% (3 of 3)

- 1 The coding and statistics were the hardest part of the class, maybe it was because I am bad at it. Anyway that was the only time in class I was struggling. I know some others struggled too. I am not sure how to improve it but that is literally my only complaint.
- 2 N/A
- 3 Maybe include an extra day or two for R tutorial.

Question: Do you have any additional comments on this course and/or the instructor?
