- ^{4.1)} Please identify what you perceive to be the real strengths and weaknesses of this teaching assistant and course.
- Amazing TA!! She really cares about her students succeeding. She also is soo passionate and knowledgable on most anthropological subjects. She is a really interesting lecturer.
 - Britt is literally the best TA I have ever had. She cares SO much about her students and always accommodates for people's individual needs. It's clear she wants all of her students to succeed, and she does everything she can to help them reach their full potential. Honestly, I have no idea what I would have done without her this year. Also, her hair is sick and she has a DOPE fashion sense. Thanks Britt!
 - Brittany has great communication skills and creates a very welcoming environment in her sections. It was easy to approach her outside of the discussions to ask for help and guidance. She made the discussion nicely incorporated with the lecture by not necessarily repeating the same information but providing further clarification and extra help.
 - I enjoyed the section a lot and was very glad I picked her as my TA. She went out of her way to make sure we understood the material and made sure we could do the home work assignments. If i could grade her out of 100 I would give her 100.
