## 4. Comments:

- 4.1) Please identify what you perceive to be the real strengths and weaknesses of this teaching assistant and course.
- Britt has been my favorite TA by far (and I've had many). She is extremely helpful and approachable and genuinely wants to help students exceed. She is overall just an amazing and intelligent person and she doesn't have any weaknesses. I give her a 1000/10 rating.
  - Britt was incredibly kind and caring and very knowledgeable. She offered to help at all times and was just overall an amazing TA. I will say that I think one way to make the section more engaging would be if there was a worksheet or "polls" or some kind of interaction.
  - I really enjoyed taking Anthro 1, and was so glad to have had Britt as my TA. I've never had a TA that was so involved in student learning outside of section hours. Britt was able to answer any questions we had within minutes and was so eager to share her love of the course material with us - it was very contagious! She definitely kept us in line with her grading, but she was always considerate to student mistakes and would help the class learn from them as much as possible.
  - I thought that this teaching assistant was one of the best that I have ever had and she knew the material the she was teaching very well.
  - This section was great overall! The T.A. did a great job organizing each section and it was clear that she cared about our understanding of course material and success in the class. There are no weaknesses to be addressed.
