4. Comments:

4.1) Please identify what you perceive to be the real strengths and weaknesses of this teaching assistant and course.

- Brittany is extremely knowledgeable and passionate about the information she is teaching. It is obvious, even at 8 am, that she was excited to teach us and share her passions with us. Any time I had a question and emailed her, it was answered almost immediately. Her office hours and discussions were extremely beneficial and important to this class.

- I really enjoyed my discussion section with Britt! She clearly was a master of the subject and really enjoyed teaching it. Student learning was obviously a high priority for her. Even though our discussions were at 8 am, there was never a class where she didn't seem enthusiastic and excited to be there. Also, she was easy to reach outside of class. At one point in the quarter she ended up lecturing for the whole class and I think she did great! The same enthusiasm came out in her lecturing style and I could tell she enjoys the topic and teaching students. If she were to become a professor someday I think she would excel, and I would definitely sign up!

- Strengths: Expanded on ideas shown in lectures. Very helpful in preparing us for exams.
