19 - What aspects of the course worked well for you?	
Response Rate	9/18 (50%)
<ul style="list-style-type: none"> • Learning about psychology, the cognitive section was my favorite. • honestly just sitting in and listening to her because she explains things super well • I loved the lectures and having one engaging assignment a week • The powerpoints were catered for base-level learning, which was very pleasant, as this was my first psychology class. • everything • I love how she explains and relates these topics into our lives. Very digestible • The slideshows, weekly homework, and pacing of the course worked really well for me. • I enjoy everything about the course. • I really like her teaching style and her energy while teaching it made you want to learn and made everything interesting.

20 - What aspects of the course, if any, didn't work well for you?

Response Rate	5/18 (27.78%)
---------------	---------------

- when we had to go online I did struggle then
- None
- neurons
- None.
- The speed at which she teaches can be a little fast at times but that's more of a personal aspect rather a fault on her part.

21 - Please share anything else you would like to about the course, the instructor, or the material.

- I am not a psychology major, but Dr. Florkie made me seriously consider a minor. She is very enthusiastic, and it really gets you excited to learn. Even when she unfortunately broke her leg, she did not miss a beat and still made sure that we were learning the course content effectively. Give her a raise!
- nice teacher and interesting class
- She's great, and very passionate about what she does. loved her course.
- Dr. Florkiewicz is an amazing professor and I really learned a lot from her this semester. I hope to have her again in the future.
