Question:	What aspects of the course worked well for you?
Response Rate:	90.00% (9 of 10)

1	the labs were very effective and helped me grasp information easier.	
2	the essays and labs	
3	Working gradually on the final research project and receiving feedback at each step.	
4	The papers were given plenty of time to work on and turn in, and there were plenty of opportunities to receive grades as well.	
5	The hands on activities in class and the visual learning aspects	
6	Partner labs	
7	It was tough but learning about animals was cool.	
8	I really enjoyed the labs within this course, as they provided a true understanding of the topics being presented. I also enjoyed the research aspect of the course! I was very fun and interesting, and it also allowed me to research something I enjoy and have always been curious about.	
9	I like that the teacher was available to answer questions and provide feedback on papers before their due date. I also liked that the work was mostly papers, unless it was in-class activities.	

Question:	What aspects of the course, if any, didn't work for you?
Response Rate:	80.00% (8 of 10)

1	none	
2	none	
3	There were not any.	
4	The amount of papers	
5	N/A	
6	N/A	
7	I enjoyed all aspects of this course!	
8	I didn't really show up to class so I got automatically withdrawn and writing the research paper was just hard.	

Question:	Please share anything else you would like to about the course, the instructor, or the material.
Response Rate:	80.00% (8 of 10)

1	she was a very good teacher,very understanding and helpful. She had labs every week which gave everyone a moment to destress is what I feel like or at least that's what helped me get through.	
2	The instructor goes above and beyond for her students, especially within this course. She was always available to make time for her students whether it was about class or just to talk (I greatly appreciated this :))	

3	She was very helpful with her feedback, and was very quick to reply.	
4	None	
5	N/A	
6	I think that this course will be better next year after Animal Behavior 1 is a prerequisite.	
7	Dr. Florkie is a great professor and I really enjoyed this course	
8	Dr. Florkie is passionate and energetic. This allows for a fun class and overall great experience.
