Question: What are the best features of this course?

Response Rate: 100.00% (1 of 1)

- 1 I absolutely loved this course! Every aspect was amazing! I really enjoyed the labs and all of the information that I learned each week. I liked being able to talk to Dr. Florkie after reading the textbook because she was able to clarify a few things for me.

Question: Do you have any suggestions for improvement of the course?

Response Rate: 100.00% (1 of 1)

- 1 I would suggest a little more interactive labs, but of course there is some limitations especially with this being an independent study. If this were to be offered as a course, more labs I think could be beneficial.

Question: Do you have any additional comments on this course and/or the instructor?

Response Rate: 100.00% (1 of 1)

- 1 I would highly recommend putting this course in the course catalog. For me, someone who is interested in forensic work as I am sure there are a lot of other who are too, this class really made me feel that what I was learning pertained to what I wanted to do in the future. Also, Dr. Florkie is an amazing professor!
